

MOTIVATION: UNTAPPED POTENTIAL OF <My Topic>

- Modern devices can have problems with energy consumption

TOPIC

- It's impossible to cover every special case
 - Average running time can be optimized

ANOTHER TOPIC

- Novel approach

Experimental evaluation: Comparison of different approaches

- Evaluated on *Special benchmark* with different workloads:
 - Figure 1: Something cool
 - Figure 2: Something not so cool

Figure 1: Special caption

Figure 2: Even more special caption
